

Kuramura hotel facts

Accommodation

19 rooms in total with some Japanese only but 15 rooms have the choice of both conventional bed and Japanese style tatami and futon arrangement. All rooms are on the same level although some are maisonette style or 2 storey so have a slightly better view. Not all rooms offer a countryside view. There are non smoking rooms available.

Most rooms consist of a minimum of : Living/ dining area, tatami room, western bedroom, conventional bathroom but with private onsen constructed of marble.
