

Lighthouse Hotel and Spa - Galle

- A Beacon Of Beauty On The Southern Coast

- A Member of the Small Luxury Hotels of the World

- A Member of the Great Spa Hotels of the World

Inspired by the majesty of the old Dutch Fort in the Southern capital of Galle, is the Lighthouse Hotel. Designed by Geoffery Bawa, this architectural masterpiece looks out into the deep blue Indian Ocean, bordered by a stretch of golden beach that disappears into the distant horizon, take a walk down the still open corridors or marvel at the beautiful, cinnamon-colored buildings, dive into the crystal clear swimming pool, which seamlessly blends into the adjoining sea. Rooms are luxurious, with king-sized beds and fabulous attached bathrooms. Excellent cuisine and discreet service, complete the elegance and style that is the Lighthouse Hotel. So come and enjoy true Sri Lankan hospitality with a touch of luxury in a truly great surrounding.

On the edge of Galle stands one of its modern treasures, the Lighthouse Hotel, whose 60 deluxe rooms are yards from a beautiful palm-fringed beach.
