

# *Saman Villas*

## **Accommodation**

26 extravagantly furnished suites plus one two-storey villa. These are built in the form of separate villas on either side of the rocky headland for maximum privacy. Designed in the best of traditional Sri Lankan style, the accommodation offers every comfort.

Each suite is carefully positioned to provide spectacular views of the shoreline and sea. They include a terrace or balcony with a day bed and dining table, lounge area, sleeping deck, dressing room, open-air bath and shower with courtyard, individual climate control, telephone, CD player, LCD panel TV, hair dryer, make-up mirror, mini-bar and safe.

## **Location**

Located on the south west coast, 65 kilometres south of Colombo and 92 kilometres from the International Airport. Approximate travelling time from airport to hotel is 180 minutes by road and 45 minutes by air.

Saman Villas is perched on a rocky headland dividing two long seemingly endless, surf swept unspoilt beaches of golden sand, backed by dense green coconut plantations, in the quiet-sleepy fishing village of Aturuwella in Bentota. The atmosphere is one of tranquillity, disturbed only by the sounds of birds and the waves breaking on the rocks below. The views, from anywhere in the hotel, are magnificent

## **Facilities**

The inviting infinity-edge swimming pool with sea blue water appears to merge with the vast Indian Ocean and beyond. The cascading gardens with beautifully manicured lawns on the rock face offer a variety of locations to appreciate the magnificent view, caressed by cooling sea breeze, in quiet relaxation.

Two restaurants overlooking the pool and the sea beyond; the terrace restaurant caters for breakfast and lunch while the main restaurant on the upper level is open exclusively for dinner. The menus at the main restaurant offer a wide selection of Eastern, Western and Sri Lankan dishes with an extensive range of wines to complement your cuisine.

## **Spa**

The Sahana Spa, a luxury all suite garden spa offers an array of treatments. Each suite features facilities of a luxury spa and offer treatments in complete privacy. The Deluxe Suite, set in a water garden, is comprised of an aromatic sauna, steam shower, Jacuzzi, mud bath, treatment room and dining pavilion

Individual music systems are provided in treatment areas, dining pavilions and relaxation pavilion, to complement your spa experience. Individual music systems are provided in treatment areas, dining pavilions and relaxation pavilion, to complement your spa experience.

A separate treatment area is available for reflexology, pedicure and manicure.

## **Spa Experience**

The glory of nature unfolds with every breath at Sahana Spa. Open-air pavilions, tranquil water gardens, a luxury spa with a host of treatments designed for peace, health and beauty. Set amidst lofty trees of a tropical garden, with gushing water and the roar of the Indian ocean. Sheer luxury and pampering in the privacy of your own suite. Sauna, Jacuzzi, floral and mud baths, massages, wraps, magic potions and more. Experience the myriad treatments that await you – under trained therapists

The treatments at the Sahana Spa are drawn from age old traditions of natural healing, using priceless essential oils and Sri Lankan herbs which have a long history of healing, combined with time tested holistic therapies – Aromatherapy, Reflexology, Dehydrating Moor muds – are used to caress the body, relax the senses and soothe the soul.
